

IEEE World Forum on Internet of Things

14-16 December, 2015 // Milan, Italy

CALL FOR PAPERS AND PROPOSALS

Submission Deadline is **June 15**

Enabling The Evolution of Internet: Internet of Things

The 2nd IEEE World Forum on Internet of Things 2015 (WF-IoT) will take place from 14-16 December 2015 in Milan, Italy. The organizing committee seeks contributions on how to nurture and cultivate IoT technologies and applications for the benefit of society.

Original papers are solicited in, but are not limited to, the following topics:

- IoT Enabling Technologies
- IoT Application and Services
- IoT Societal Impacts
- IoT Experimental Results

For more specifics on each of these topics visit sites.ieee.org/wf-iot/call-for-papers/

Paper Submission and Publications

2nd IEEE World Forum on Internet of Things (WF-IoT 2015) solicits two types of submissions.

Full papers describing original research. Suggested size is four pages; papers up to six pages will be accepted.

Papers will be fully peer reviewed, included in conference proceedings, and considered for indexing and publication in IEEE Xplore®. Extended versions of selected papers may be considered for publication in IEEE IoT Journal.

Extended abstracts describing emerging results of new research areas or relevant topics from an industrial point of view, not to exceed two pages.

Important Dates for Paper Submissions

June 15, 2015	Manuscripts Due
September 15, 2015	Acceptance Notification
October 31, 2015	Camera-Ready Submission

Tutorial and Special Session Submissions

Tutorial proposals should contain an abstract, scope, intended audience, objectives, prior history, an outline, the biographical sketch of presenters and any other information that may assist in making decisions. The proposal must be in the form of a single PDF file not exceed four pages.

Special Sessions should complement the regular program with new and emerging topics of interest.

Important Dates for Tutorial and Special Session Submissions:

Tutorial and Special Session Proposals due: June 15, 2015
